Rita Helps You With...

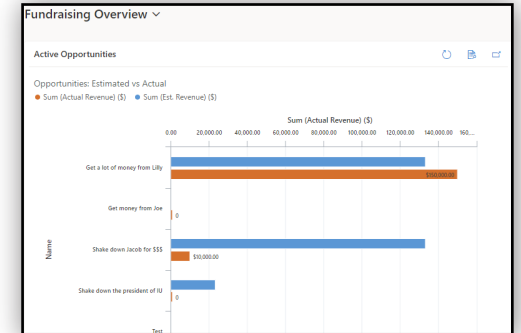

Customer Relationship Management (CRM)

Track donors/constituents, corporate sponsors, memberships and contact information.

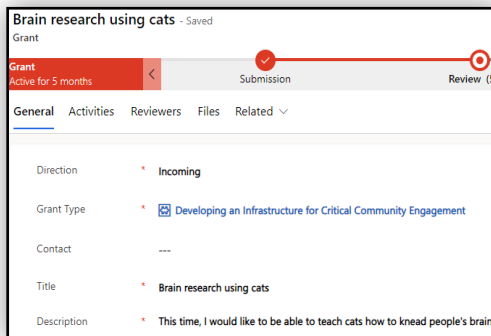

Volunteer Management

Collect and store contact information, background checks, and track volunteer hours.

Fundraising

Track donation amounts and frequency and get visibility into key and lapsed donors. Connects with your WordPress website seamlessly.

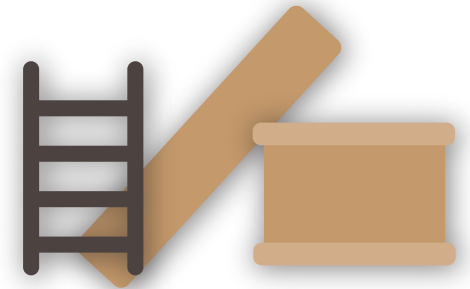

Grant Management

If your organization provides grants, you can track the process within RITA. If your organization applies for grants, you can track deadlines, progress and results within Rita as well.

Event Management

Don't miss a detail: manage scheduling, volunteers, to-do's and costs within Rita.

Customization

Have a specific use case or unique data that needs to be captured and tracked? No problem – customization is simple and easy in Rita.
